

BECOME A PSC AFFILIATE USA OR INTERNATIONALLY

As a Master Teacher Trainer of the PSC Program, you will begin a commitment to better the quality of Pilates Teacher Training and the lives of others. You will become a part of the rapidly expanding PSC family and create your very own mark in this educational program. PSC's intensive Master Teacher Trainer Program is not for everyone. There are specific requirements and an application process. If you meet these requirements, we invite you to submit your application to PSC.

The MT Applicant will complete the entire program via Digital Platform (home study) and will then attend a 3 consecutive day intensive course virtually or in person at our headquarters in AZ or CA. (*Accommodations are the responsibility of the applicant – PSC support is available to assist*). The 3-day intensive will include: Teaching and demonstrating the PSC approach and learning the process of launching a program.

PSC will provide a Policies and Procedures Manual that outlines every aspect of operating the program, including but not limited to...

1. Procuring students and Tracking Forms
2. Finances
3. Program requirements and student agreement
4. Day-by-day projected lesson plan
5. Requirements and Testing procedures
6. Marketing

A "Test-Out" will be given throughout the 3-day intensive to verify the integration of the PSC material. Once successfully passing the exam, the Candidate is ready to launch a program once the following requirements are met.

Requirements to Launch a PSC Program:

- Graduation from the PSC Master Teacher Training Intensive Program
- Knowledge of the PSC Teacher Training Manual, Procedures Manual, required texts, and all related materials
- (Optional) NCPT Certified Pilates Teacher in good standing
- Exemplary Knowledge of Physiology and Anatomy
- Current Liability Insurance with PSC listed as additionally insured
